### IT DOES NOT MATTER

How good an article is if nobody wants it, now does it matter how cheap an article is not the correct style for the present demand. Our energies are bent on giving trade the best values for the money attainable, and by so doing it makes our relation to you both pleasant and satisfactory. The styles we are showing in Ready-Made Suits especially attractive models.

#### LADIES' TAILORED SUITS

At \$18.00 we are showing one of the strongest lines of Suits in the best up-to-date styles that we have ever had. An especially good number is made of a fine all-wool fancy Panama in an invisible strip, color brown. Same is made plain shape coat with seven-gore circular flare skirt with fold around bottom.

Another \$18.00 Suit is made of a fine all wool grey Panama. Coat is made fitted back with cutaway point front. Skirt is a very full side-plaited style, with three-inch bias band around the bottom.

At \$20.00 is a line of Suits of more than ordinary value. Coat is made twenty-four inches long, is a partial fitted style, with self fold and braid over shoulder and down front and back, is collarless and vest front finished with braid. Skirt is made panel front with side gore with wide fold around bottom. Colors, black, blue and brown.

#### LADIES' TAILORED SUITS

At \$22.50 we can show you a line of Suits which are especially desirable. These come in plain blues and browns, also in the light colored novelty stripes. Are made medium fitted back with the new cutaway front with the front and back point effect. Skirts are made side plait and circular flare style.

At \$25.00 we have the largest line of popular styled Suits we have ever shown. Among the styles are the new butterfly coat Suit and the large Japanese Coat Suit in plain and novelty cloths. Skirts are made circular flare and side plait, with one and two bands around bottom with extra full sweep.

At \$27.50, \$30.00 and \$35.00, the Suits we are showing are especially good, have distinctive features which are sure to appeal to those who are looking for something new and of individual merit. These are made of such cloths as the fancy invisible stripe Panama, Rajah cloth and fancy voiles.

#### MISSSES' JUNIOR SUITS

This is a line of Suits which is especially good this season and will be in more demand than usual.

At \$12.50 is a line of Misses' Suits in Panama, colors, blue and brown. Coat is made medium primed style with slightly cutaway front. Skirt is a side plait style.

At \$18.00 is a line of Misses' Junior Suits which have all the style and look of a ladies' \$25.00 Suit. Coat made medium length partial fitted and finished with braid over the shoulder and down front and back, has the new cutaway front, is collarless, finished with braid inside with broadcloth. Skirt made fifteen-gore side plait style with band around the bottom.

Space allows us to give you only a few of the many desirable styles we have to show, and as this is surely to be one of the largest Suit seasons, the garment trade has ever witnessed, you are sure to be able to get some values which are more than ordinary.

The Jack Lumley of yesteryear has become the Dick Scott of to-day. W. A. Whittecar, who was seen to such advantage in "The Mummy and the Humming Bird" last season, is now playing to packed houses in the new drama of the plains, "An Old Sweetheart of Mine." Those who have seen both plays say that there is a wide chance for different interpretations in the two. Dick is a character that stands out as clearly as did Jack and is as full of opportunities for the exhibition of fine grades of meaning, but has in addition, a wider scope for the more manly attributes that rightly belong to the genus homo of the plains. "An Old Sweetheart of Mine" will be on view at the opera house to-night.

### BOARD MORE THAN BILL.

Man in Jail For Less Than \$4 in Poll Tax Costs City \$75.

Rutland, March 13.—Because Joseph Slattery has steadfastly refused to pay his poll tax for 1907, amounting to less than \$4, the city undoubtedly will have to pay his board at the county jail, which now amounts to about \$75 at the rate of 50 cents a day. Slattery has been confined since Nov. 11, 1907, and is doing no work while a prisoner. The matter has been called to the attention of the aldermen, and it is believed some action in regard to it will be taken immediately.
